TRANSFORMING TRAINING!

Have you ever wanted to make a dynamic change in your local elementary school?

Have you ever desired more than anything to see a generation rise up that seeks to honor God?

Then you ***need*** to attend this training conference that will be sponsored by Child Evangelism Fellowship® of Central Alabama. Everyone who is interested or already committed to being a part of an After-School Good News Club® needs to be in attendance. Classes will be offered for first-time club workers, and for workers already experienced in a Good News Club. No matter what your role on the team, make it a priority to be in attendance!

Other children's workers are also welcome to attend!
